

SANGHAMITRA SCHOOL

AWARENESS on the usage of Cell Phones & CYBER SECURITY.

An awareness session by Shri Kishan, Circle Inspector of police Kukatpally zone was conducted for students of classes 7 to 10 in the school auditorium.

Mr. Kishan in his address to the students shared about the need to be careful and be-aware of the hazards faced by using cell phones and accessing social media. He emphasized the need for children to be careful and use cell phones only if necessary. He also advised children to follow the rules, travel with parental advice, and not share any personal information on social media. He advised children to refrain from driving vehicles, as they are underage and not eligible for license.

He concluded by advising students on the need to be safe and protected. And this would be possible only if students stop using smartphones, not access social media, follow the rules and move around with parental support.
