## *Welcome Letter*

Dear Sanghamitran's family.

A warm welcome to school for the academic year 2023-2024.

Our preparations begin with getting the school ready with the infrastructure. Classrooms, furniture, learning corridors, and teaching-learning resources. They are gathered and prepared for effective instruction to our students. Regarding infrastructure, the air-cooling system is installed and has been in operation. This year a lift will be installed.

Guiding us in our efforts for a successful academic year are our values, vision, and mission. Our school culture is to build strong and meaningful relationships and prioritize instructional time to provide vigorous and effective learning. This is in order to prepare our students to be successful in their school journey.

Our efforts start with my staff and I reflect on our work from the previous academic year's. We analyse the student performance data, identify successful strategies for teaching, adapt suggestions from feedback, and prepare ourselves for improving learning opportunities for our students.

It is important that every child progresses at his or her own pace for which we need to celebrate even the smallest success. For future growth, we need to build the child's self-esteem and secure a strong foundation. Please know that we are committed to the education and success of each child and seek to nurture a strong partnership between home and school.

As a private educational institution the school functions on the timely remittance of school fee by all the parents. We request your support to ensure that the school tuition fee is paid in time. Please follow the schedule listed in the almanac / school fee circular.

*For a successful academic year, we need to set and follow routines. Please ensure that the child is*

- *regular and punctual to school.*
- *well-groomed and in complete uniform.*
- *learn, practice, and follow daily study habits.*
- *up to date with CW, HW, and assignments.*

### **Note:**

- Please read all school circulars, check Sanghamitra school app and our website frequently for updates.
- Please keep yourself informed by reading and signing the almanac daily. You are free to contact us through the parent's page in the Almanac.

We look forward to many years of working collaboratively with you to ensure we continue to have a quality instructional program, where all students are learning and writing.
